The National Lottery Community Fund

The National Lottery Community Fund is a non-departmental public body set up to distribute National Lottery funding.

National Lottery players provide most of our resources every time they play. We're One Fund based in communities in England, Northern Ireland, Scotland and Wales, and our work reflects the diversity of the UK.

We're the largest single source of funding for community activities in the UK. We make our funding decisions independently, but we're accountable to Parliament and subject to policy directions from the UK Government and devolved administrations.
